Dear Clerk
United Fire Representative
RE: Fire run charges and assessments

At the July 2, 2014 Finance Committee meeting the Finance Committee set fire run charges effective 01-01-2015 based on 2013 and 2014 actual costs. Effective 01-01-2015 First hour run charge will be \$895.00 and each additional hour will be \$595.00. These charges do included an hourly charge from Baldwin Ambulance Service for standby for firefighters on scene, which is subject to change if the ambulance service changes there rate. Please pass this information to your residents so they can obtain appropriate insurance coverage. If you have any questions please feel free to contact the District Office.

At the October 1, 2014 Board of Directors meeting the 2015 budget and assessments were approved. By action taken at this meeting all municipal assessments for 2015 will stay the same as 2014 and will continue to be invoiced quarterly as has been done in the past. If you have any questions please feel free to contact the District Office.
