

Ordinance # 2020-2
Town of Cady
Building Code Title 15

REPEAL AND ADOPTION OF PROVISIONS

Title 15, Building Code, adopted March of 2013 is repealed and recreated to read as follows.

15.1.1 AUTHORITY

This ordinance is adopted pursuant to the authority under Wisconsin Statutes 101.65.

15.1.2 PURPOSE

The purpose of this ordinance is to promote the general health, safety and welfare of the town residents, to protect property values and to promote the uniformity of construction standards by regulating construction of new buildings and additions or alterations to one and two family dwellings and Commercial Buildings.

15.1.3 SCOPE

Notwithstanding s. SPS 320.05, the scope also includes the construction and inspection of alterations and additions to one and two family dwellings built before June 1, 1980 and accessory structures. Because such projects are not under state jurisdiction, petitions for variance and final appeals under s. SPS 320.19 and 320.21, respectively, shall be decided by municipal board of appeals. Petitions for variance shall be decided per s. SPS 320.19 so that equivalency is maintained to intent of the rule being petitioned. As the board of appeals approves petitions of variance, the chief inspector is granted the power to apply the results to similar circumstances by precedent.

15.1.4 ADOPTION OF CODES BY REFERENCE

A. The Uniform Dwelling Code, Wisconsin Administrative Code Chapters SPS320 to 325, and all amendments thereto are adopted and incorporated in this chapter by reference and shall apply to all buildings within the scope of this chapter. A copy of the code is on file with the Town and/or Town Building Inspector.

B. Adoption of Plumbing, Electrical, and Heating and Ventilating Codes. Chapters SPS 381 to 387, Plumbing Code, Wisconsin Administrative Code; Chapter SPS 316, Electrical Code, Wisconsin Administrative Code; Wisconsin SPS 360-366 of the Wisconsin Commercial Building Code and all amendments thereto in effect on the date of the adoption of this chapter are hereby adopted and made part of this chapter by reference and are applicable to all those classes of buildings to which said codes apply. Copies of said codes are available online and in the office of the Town Building Inspector.

15.1.5 BUILDING INSPECTOR

A. There is hereby created the position of Building Inspector, who shall administer and enforce this chapter and who shall be certified by the Wisconsin Department of Safety and Professional Services as specified by W.S.A. s. 101.66(2). Additionally, this or other assistant inspectors shall possess the certification categories of UDC HVAC, UDC Electric, UDC Plumbing, UDC Construction, and Commercial Building Inspector. The Town Board shall make the building inspector appointment.

B. The Building Inspector shall have the powers and duty to see that the construction, reconstruction, and/or alteration of dwellings and Commercial buildings in the Town conform to the laws of the State of Wisconsin, the orders, rules and regulations laid down by the Department of Safety and Professional Services of the State of Wisconsin and the ordinances, rules and regulations of the Town and County and to make all inspections as required.

15.1.6 BUILDING PERMIT REQUIRED

No person shall build or cause to be built any new one or two family dwelling or any addition or alteration to an existing one or two family dwelling, swimming pool or accessory structure over 200 sq ft or any structure that requires electrical, plumbing or structural footings or supports, or commercial or industrial building without first obtaining a state uniform building permit or a town building permit for such dwelling, structure, commercial building, etc., as determined by the Building Inspector.

15.1.7 FEES; VIOLATIONS AND PENALTIES

A. Fees. The building permit fees will be set by the Building Inspector and may be changed from time to time and shall include the fee required by the Wisconsin Department of Safety and Buildings for the UDC permit seal that shall be assigned to any new dwelling.

B. Penalties.

(1) The fee will be doubled if construction is stated prior to issuance of a permit.

(2) The enforcement of this chapter and all other laws and ordinances relating to building shall be by means of the withholding of building permits, imposition of forfeitures and/or injunctive action. Any person, firm or corporation violating any provision of this chapter shall, upon conviction, forfeit no less than \$25 nor more than \$500 and the cost of prosecution. Each day the violation continues after written notice is delivered to the occupant, owner (as designated on any permit application submitted to the Building Inspector) or construction person apparently in charge on the site shall constitute a separate violation.

15.1.8 APPLICATION PROCESS; ISSUANCE OF PERMIT

A. Application. Application for a building permit shall be made in writing upon a form furnished by the Building Inspector with the appropriate building requirements of the town. Where applicable, the county or the state requirements for the contemplated improvement shall be provided to the permit applicant by the Building Inspector at or before submission of a building permit.

B. Plans and drawings. The building permit applicant shall be submit with the application two complete sets of site plans and specifications, one set of build prints and an erosion control plan.

C. County permits. The applicant must obtain any permits required by the County and include copies of such permits with the building permit application, including a county driveway permit, if necessary.

D. Driveway permits. Driveway permits shall be applied for and obtained from the Town Board or designated agent for the town roads and private roads. The county issues all other driveway permits.

E. Approval of plans and issuance of building permit. If the building Inspector determines that the proposed building, addition or alteration will comply in every respect with all of the ordinances of the town and all applicable laws and regulations of the State of Wisconsin and is not in violation of the Town Subdivision Ordinance or any applicable Town or County ordinance, the inspector shall conditionally approve the plans and issue a building permit which shall be valid for 24 months. After being approved, the plans and specifications shall not be altered in any respect that involves any of the above mentioned ordinances, laws or regulations or which involves the safety of the buildings or its occupants. One copy of the approved plan shall be returned to the applicant. The building inspector shall retain one copy.

F. State Uniform Building Code Seal. At such times as a building permit is issued for one or two family dwellings, it shall have affixed to it a State Uniform Dwelling Code seal.

G. Fees. Fees shall be submitted to the Building Inspector at the time the application is filed. Fees for plan examination, inspection, variance application and issuance of the building permit shall be set by the Building Inspector.

H. Waiver of plans. If the Building Inspector finds the character of the work is sufficiently described in the application, he may waive the filing of plans for alterations or repairs, provided the cost of such work does not exceed \$10,000.

15.1.9 EXCEPTIONS

A. Minor repairs or alterations which cost less than \$10,000 and do not change the occupancy area, structural length, fire protection, exits, natural light or ventilation do not require a permit. Repairs or alterations that change any one of the above items require a permit. Repairs and alterations costing more than \$10,000 require a permit.

B. Replacement or repair of roof, siding, replacement of doors and windows of the same size may be done without a permit.

C. Agricultural buildings on a contiguous parcel that is assessed at least 50% agricultural under Wis. Stat. §70.32(2)(A)

D. Landscaping, not including decks, may be done without a permit.

15.1.10 DISAPPROVAL OF PLANS AND DENIAL OF PERMIT

A. Non-conforming. If the Building Inspector determines that the building permit application or plans do not conform to the provisions of the applicable codes or ordinances or other requirements, approval shall be denied.

B. Denial of application. A copy of the denied application, accompanied by a written statement specifying the reasons for denial, shall be sent to the applicant and/or owner as specified on the application.

C. Stamping of plans. Plans and specifications which do not substantially conform to the provisions of the Building Code shall be stamped "Not Approved". One copy shall be returned to the applicant.

D. Appeals. The applicant may appeal a denial of an application to the Town Board.

15.1.11 TIME LIMIT FOR ACTION ON APPLICATION; POSTING OF PERMIT

A. Time for permit issuance. Action to approve or deny a building permit application shall be completed within 10 business days of receipt of all of the forms, fees, plans and documents required for processing the application.

B. Posting of permit. The building permit and other permits required by the town, county, state or other municipalities shall be posted in a conspicuous place at the building site and within view of the adjacent roadway.

15.1.12 COMPLIANCE WITH PERMIT

All construction must comply with the building permit and the plans submitted with the building permit application. Any construction that is not authorized on the building permit, blueprint, site plan or plans or is not listed on the building permit application is a violation of the permit and subject to the violations and penalties established in this ordinance.

15.1.13 REVOCATION OF PERMIT

A. If the Building Inspector finds at any time that the provisions of this chapter are not being complied with and the holder of the permit refuses to conform after a written warning or instructions has been issued to them, the Building Inspector shall revoke the building permit by written notice posted at the site of the work.

B. When any permit is revoked, no further work shall be done until the permit is reissued, except such work as the Building Inspector may order as a condition precedent to the reinsurance of the permit or as he may require for the preservation of human life and safety.

15.1.14 LAPSE OF PERMIT

A building permit shall lapse and be void unless construction under the permit is commenced within six months from the date of issuance thereof. The building permit shall lapse and be void if the permit purpose has not been fully completed within 24 months from the date of issuance of the permit. Once a permit has lapsed, no further work shall be performed under such lapsed permit until such time as a new permit has been issued.

15.1.15 INSPECTIONS

A. Inspections. All inspections for the purpose of administering and enforcing the UDC and Town Building Code ordinance shall be performed by a certified inspector who shall conduct inspections according to the respective codes being applied and enforced.

B. Notification. The builder shall give the Building Inspector for all inspections required by UDC Chapter SPS 320.10, 48 hours notice as per UDC.

C. Witness to inspection. It is recommended that a representative of the developer, contractor, builder or owner be present at each required inspection. It shall be the responsibility of the developer, contractor, builder or owner to coordinate inspection times and dates with the Building Inspector.

D. Re-inspections. Any re-inspection necessary due to incomplete work or non-complying conditions shall be subject to an additional fee per inspection to be paid in full prior to the issuance of the occupation permit.

15.1.16 ENFORCEMENT; RIGHT OF ENTRY

A. Except where otherwise provided in this code, the Building Inspector shall have the general management and control of all matters pertaining to building inspection and shall enforce all state laws, town ordinances and lawful orders relating to the construction, alteration, repair, removal and safety of buildings and other structures, dwellings, public buildings and places of employment in the Town.

B. The Building Inspector may at all reasonable hours enter any public or private premises for inspection purposes and may require the production of the permit for any building, plumbing, electrical or heating work. No person shall interfere with or refuse to permit access to any such premises to the Building Inspector while in performance of their duties.

15.1.17 RECORDS AND REPORTS

A. The Building Inspector shall maintain a record of all permits issued, which shall be kept on file.

B. The Building Inspector shall make a monthly and annual report to the Town Board of all permits issued, open permits, violations noted and fees collected.

15.1.18 OCCUPANCY PERMITS

The Building Inspector shall issue occupancy permits.

A. All inspections shall have been satisfactorily completed, the well construction report shall have been received, all required fees shall have been paid and all required terms of this Building Code shall have been met before occupancy permit will be issued.

B. No single or multiple family dwelling may be occupied by any person or party until an occupancy permit has been issued.

C. A penalty will be charged if a dwelling is occupied prior to issuance of an occupancy permit.

15.1.19 ROAD DAMAGE

The property owner shall be liable to the town for any town road damage due to construction. Failure to pay for damages after billing, which shall be a lien on the owner's property, is collectable in the manner provided by law.

15.1.20 NON-LIABLITTY OF TOWN

This ordinance shall not be construed as creating or assuming any liability on the part of the Town or any official or employee thereof for damages to anyone injured or for any property destroyed by any defect in any building or equipment in any plumbing or electric wiring or equipment.

15.1.21 SEVERABILITY

If any section, clause, provision or portion of this chapter or Wisconsin Administrative Code chapters are adjudged unconstitutional or invalid by a court of competent jurisdiction the remaining provisions shall not be affected thereby.

EFFECTIVE DATE. This ordinance shall replace Title 15 Building Code adopted March 2013 and be effective 3-4-2020, upon passage and publication as provided by law.

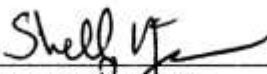

Adopted this 2nd day of March 2020.
