FREE Electronics Collection Event

Thursday, September 11 | 2pm - 6pm
300 Oak Ridge Pkwy, Baldwin, WI 54002

Bring your electronics to the county-sponsored collection event. Electronics will be accepted for FREE! All data will be destroyed, and equipment responsibly recycled in accordance with First Choice's non-landfill policy.
This event is for St. Croix County residents only.
Visit our collection events page for important event details and a list of items that will be accepted.

FREE Appliance & Scrap Metal Collection Event

Wednesday, October 8 | Noon - 6pm
300 Oak Ridge Pkwy, Baldwin, WI 54002

Join us for a special recycling event hosted by St. Croix County in partnership with Amery Auto Salvage. Bring any items that are over 60% metal, including but not limited to: appliances, yard equipment (all fuel and oils must be drained), aluminum cans, scrap metal, copper, aluminum, and batteries for FREE! Limited staff¬ and equipment will be available onsite, so please plan on unloading your own items.
Do NOT bring fencing or spools of wire to the event - it causes problems with loading equipment. Please bring directly to Amery Auto Salvage.
Prepare your appliances for drop-off:
o   Cut cord (can still be recycled at event)
o   Remove glass and plastic from inside
o   Tape doors shut
All proceeds will go directly to the St. Croix County Sheri¬ff's K9 Unit. Visit our collection events page for important event details and a list of items that will be accepted.
