

STATE OF WISCONSIN

Town of Cady

St. Croix County

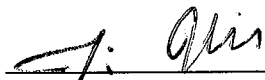

The Town Board of the Town of Cady, St. Croix County, Wisconsin, by this resolution, adopted by a majority of the town board on a roll call vote with a quorum present and voting and proper notice having been given, resolves and orders as follows:

To the St. Croix County Board:

We support a Resolution to place a moratorium on the development and implementation of Data Centers in St. Croix County. We understand that this action would be taken to allow the County time to study the building/installing of data centers in the County and implement appropriate plans to reduce and/or manage the impact of these data centers to the residents and infrastructure in the County. We understand the need for data centers, but we believe they should be implemented with control by the County Board, County Zoning and with public knowledge and input to allow for understanding of their impact and operations.

The town clerk shall properly post or publish this resolution as required under s. 60.80, Wis. stats.

Adopted this 3 day of Aug, 2026.

Jim Mikla, Cady Town Board Chairman

Bob Klanderman, Cady Town Board Supervisor

Richard Benjamin, Cady Town Board Supervisor
